Pre-Authorized Giving at Holy Family

Did you know that the average donation from individuals who donate via Pre-Authorized Giving (PAG) is higher than those who donate via other methods?

Why? The answer might surprise you! It's not because they are more generous than other donors...it's because PAG Donors donate more consistently than other donors!

With PAG, you simply select the frequency (weekly or monthly) and size of your donation. By doing so, you provide your parish with a much more consistent cash flow than those who donate via other means. Even when you are away on holidays, your donations continue to support the operations of your Holy Family.

The Benefits of Pre-Authorized Giving

The Pre-Authorized Giving (PAG) Program enables you to make donations to the parish on a weekly or monthly basis right from your bank account or credit card. As a donation method, it benefits both you and your parish.

Benefits to You, the Parishioner:

- Eliminates the need of having the correct amount of cash on Sunday and/or from having to write a cheque (which may include bank fees)
- No more forgetting your envelope/donation in the 'scramble' to get to Mass on time
- Simplifies your budgeting - you determine the size and frequency of your donations
- Easy to set up – all you need is a void cheque or your credit card information
- PAG helps you to feel good knowing that your parish is taken care of financially, even when you are away on vacation
- You have total control - you can change the size of your donation or withdraw from the program at any time

Benefits to Your Parish:

- Generates a steadier cash flow 12 months a year – making it easier for parish administration to budget
- Lowers administrative costs of processing contributions, and it saves the cost of printing envelopes (which is good for the environment as well!)

To Make Changes to your Current PAG Donation:
